Zum Geleit

Den Grund, warum wir neben einer Online-Version unserer Übersicht der Kolpingsfamilien in aller Welt, auch eine gedruckte Variante vorlegen, mag jeder beim Blättern im aktuellen Schematismus 2012 selbst erspüren – eindrucksvoll wird „greifbar“, wie groß und weltumspannend unsere Kolpinggemeinschaft heute ist.

Der in diesem Jahr ebenfalls begonnene Verbandsentwicklungsprozess KOLPING 2017 wird in den kommenden Jahren hoffentlich in allen Kolpingsfamilien, die in diesem Schematismus genannt sind, Thema sein. In fünf Jahren wollen wir unsere Inhalte geprüft und unsere Strukturen – wo nötig – erneuert haben. Der Blick auf mittlerweile mehr als 7.500 Kolpingsfamilien in aller Welt macht deutlich: Auch bald 200 Jahre nach der Geburt des Seligen Adolph Kolping ist sein Werk, das Internationale Kolpingwerk eine „Geschichte mit Zukunft“. Gemeinsam dürfen wir in dieser Zeit diesen unseren Verband gestalten und prägen. Dabei wünsche ich uns allen Mut, Kraft und viel Freude an der Gemeinschaft der Kolpingschwestern und Kolpingbrüder.

Dr. Markus Demele
Generalsekretär

Preface

While leafing through the pages of the current directory 2012, you may sense the reason why we are presenting, along with an online version, a printed alternative with an overview of the Kolping Families around the world – it makes it strikingly tangible how large and global our Kolping community is today.

We hope that the development process of KOLPING INTERNATIONAL called KOLPING 2017, which was launched this year, will be a topic in all the Kolping Families that are listed in this directory. Five years from now, we plan to have our contents scrutinized and our structures revamped where necessary. The number of by now more than 7,500 Kolping Families worldwide is a reminder that even almost 200 years after Blessed Adolph Kolping was born, his work, the International Kolping Society is a “History with a Future”. Together we have opportunities to shape and mould this Kolping Society of ours today. For this, I wish all of us to have courage, strength, and much joy in the community of Kolping Sisters and Kolping Brothers.

Dr. Markus Demele
General Secretary

Prefacio

La razón por la cual, además de la versión online, presentamos una versión impresa de la síntesis de las Familias Kolping en todo el mundo, podrá percibirla cada uno por si mismo al hojear en el esquematismo 2012 actual – es impresionante cuán “palpables” se vuelven la magnitud y el internacionalismo de nuestra comunidad Kolping en la actualidad.

Esperamos que el proceso de desarrollo de la asociación KOLPING 2017 que también se inició en el presente año, sea abordado durante los próximos años por todas las Familias Kolping mencionadas en este esquematismo. En cinco años deseamos haber revisado nuestros contenidos y renovado nuestras estructuras allí donde sea necesario. La mirada sobre las más de 7.500 Familias Kolping que ya existen entretanto en todo el mundo pone de manifiesto que, casi 200 años después del nacimiento del Beato Adolfo Kolping, su obra, la Obra Kolping Internacional, es una “historia con futuro”. En este tiempo podemos contribuir a darle forma y a organizar a nuestra asociación. Les deseo a todos el coraje y la fuerza necesarios y que la comunidad de hermanas y hermanos Kolping nos dé muchas satisfacciones.
